

## **CGW4U Final Exam Format**

### Section 1: Multiple Choice /40

- Choose the correct answer for each question (1 mark each).

### Section 2: Matching /20

- Match the term with the correct definition (1 mark each).

### Section 3: Map Analysis /20

- Two distribution maps will be presented and you must answer questions on each (10 marks each map).

### Section 4: Essay Question /20

- Using full sentences and paragraphs, answer an essay question dealing with the spatial expression for quality of life.

### What to Review

- Review all materials and key terms from the textbook
- Review the wikispace for important links or materials
- Review all of your in-class and chapter notes
- Review your tests and assignments (we will be doing this as a group each day of the review week)

\* Your teacher will help guide your studying during the exam review week.
